

**MAGNET SALES  
& SERVICE LIMITED**

## DATA SHEET

### Magnetic Floor Sweeper

Magnet Sales & Services Ltd have designed and developed this powerful permanent magnetic floor sweeper to collect all types of unwanted ferrous material such as nails and machining swarf. Its quick and easy release mechanism allows the ferrous scrap to be removed without handling or bending and is suitable for both indoor and outdoor use. The magnets inside the sweeper enables even the smallest of ferrous material to be collected and its robust design provides a long-term and durable solution to this common problem. The main benefits of keeping floor areas free of unwanted ferrous material are the prevention of expensive tyre damage and the reduction of personal injury through build up unwanted swarf. For continuous or heavy use, it is recommended that a stainless steel wear plate be fitted.

**Part No. SFAS00966**

**Width: 600mm**

**Price: £199.00 + vat  
(incl. Carriage)**
